

SAFE KIDS 500

New Hampshire International Speedway

Help us celebrate SAFE KIDS Week 2007 by riding
your bike around the speedway track!

Safe Kids New Hampshire, Children's Hospital at Dartmouth, and the New Hampshire International Speedway invite you to our third annual one-of-a-kind bike ride around the track in Loudon. Imagine...you will get to pedal your bike on the same track that NASCAR drivers race around! All children **must** be accompanied by an adult caregiver and all participants (kids and adults) must wear a bike helmet. Bike safety checks and educational materials will be made available by The Bike-Walk Alliance of New Hampshire. Healthy snacks available.

Date: Wednesday, June 20th

Registration: Begins at 5:00 pm

Time: 5:30 - 7:30 pm

Location: NH International Speedway, Loudon, NH

There is no cost for this event although donations to CHaD will be gratefully accepted. For more information and to let us know you are coming contact Safe Kids NH at 1-877-783-0432 or e-mail at IPC@dartmouth.edu
